

# FEDERATION COLOMBOPHILE INTERNATIONALE

## Call for International Racing Pigeon Art Competition 2021

**Aim of the competition:** Federation Colombophile Internationale is delighted to announce the International Pigeon Art Competition 2021 for Children and Teenagers (IPACC).

Racing pigeon, always capable of finding the way back home no matter how far, symbolize the love of the homeland, loyalty and perseverance. For children, pigeons appeared in stories and songs as an image of love, wisdom and friendliness. Apart from that, pigeons certainly mean so much more to children's imagination and we would love them to express it through their artworks.

**Participants:** aged 5 to 18 years old all over the world from FCI member countries.

### Form of participation

Each participant can take part in more than 1 category, but they can only submit 1 artwork/ category.

- A. Drawing or painting anything about pigeons that they find most interesting or meaningful to them.
- B. Taking photos
